

Sunday School Sponsorship Page

Churches that still need a Sponsor:

Filadelfia in Saltillo
Getsemni in Monterrey
Cristo Rey in Atongo
Nuestro Salvador in Torreon

Shalom in Torreon
Ebenezer in Saltillo
Sinai in El Potosi

If your Sunday School or youth group would like to help build up and establish one of these Sunday Schools please contact Barb Erickson at the LALM Laredo office. She will send you a packet of projects to begin making a personal connection with the group of your choice.

Big needs and little needs you can meet:

The most basic needs of the Sunday Schools are curriculum and school supply kits. We also have a teachers supply kit that includes more than what the children receive in their kits. Going over the Christian Education needs for the church of Mexico, some of the most often requested items are overhead projectors, white boards and markers, puppets and music tapes, cd and tape players, vcr's and video tapes, rhythm instruments. Some groups have been leaving behind, as a gift to the church, a TV with cd and video combination. We are making a list for each church of the items that is still needed for their ministry needs. Contact us to see what specifically your church that you sponsor still needs.

Craft Materials:

Crafts supplies are needed. If you prefer to order on line and send them directly to us, please mention the name of the church or town you are ordering these items for on the shipping memo or email us so we have a heads up on your order. One of the companies we order through for our Gospel Bookstore is the Oriental Trading Company. They have good prices on many items and frequently send out catalogues of their items. Their email address is www.orientaltrading.com or telephone 1-800-228-2269. If you have other resources we should know about please let us know.
